

## Damage Deposit Fee

All events are charged a refundable deposit fee. This is returned in full if no damage has occurred to the land (or any of its fixings) during the event.

The level of vehicle risk is dependent on how many and what type of vehicles will be present on site or used for the event. The greater the size/weight and amount of vehicles increase the risk of damage.

Please note, the prices below will apply to events taking place from 1 April 2018 to 31 March 2019.

<b>Deposit fees for hiring land</b>			
<b>Expected Attendance</b>	<b>Low Vehicle Risk</b>	<b>Medium Vehicle Risk</b>	<b>High Vehicle Risk</b>
1-500	£70.00	£300.00	£530.00

1001+	£530.00	£925.00	£1,320.00

Note: Deposits of £1320.00+ are negotiable dependent on event. Subject to no damage being caused to the site the deposit will be returned.

## Hire Charges

There is a £36.00 administration charge for all events.

Commercial and non-charity events will be charged a hire fee. There is no daily hire charge for fundraising events organised by registered charities. Organisers must provide their charity number to be eligible for this exemption.

Space usage is relevant to how big the area to be used for an event is. This should be indicated on a site plan when organisers apply to hire land.
