2. The fact that a payment has been forwarded does not guarantee that a season ticket will be issued.
3. WEB or online season tickets can only be renewed via the website.
4. Possession of a Season Ticket guarantees the availability of a space for the holder to park Monday to Friday. On Saturdays and Sundays the Car Park is also available for Pay & Display users. Although your season ticket will still be valid you are not guaranteed a parking space.
5. It is the responsibility of the Season Ticket holder to inform and supply all users of the Season Ticket with the Terms & Conditions.
6. In the event of a Season Ticket being lost an administration charge of £5.00 will apply for the issue of replacement.
7. To request a refund, the Season Ticket must be returned to Parking Services. Refunds can only be issued for the remaining full months of the Season Ticket.
8. Only by clearly displaying a valid Season Ticket itself continuously on the windscreen of the vehicle will it be accepted as satisfying the pay and display requirements.
9. If two or more identical Season Tickets are being displayed in two vehicles simultaneously both Season Tickets will be considered void and the standard charges for the car park will be applicable.
10. Facsimile copies will be regarded as void and the standard charges applicable to the car park will apply.
11. Season Tickets are perpetual, this means that when you renew you will not require a replacement Season Ticket as all the ticket information is contained in the barcode. However, you must renew at least 36 hours before the expiry date to allow the barcode details to be updated.
12. If the Season Ticket is not renewed 14 days after the expiry, the Season Ticket may be offered to the next person on the waiting list if applicable.

17. Four vehicle registration marks can be registered against the Season Ticket.
18. The number of Season Tickets available for each car park is restricted.
19. Although the Season Ticket enables the holder to park on Saturdays and Sundays when the pay and display provision applies, a parking space is only guaranteed from Monday to Friday.

Not all areas in the D – Orchard Street Car Park are available for use by Season Ticket holders. Leaving a vehicle in a part of a car park not allocated for this use will render the season ticket void and the standard charges applicable to the car park in which the vehicle is parked will need to be paid. Please refer to the map provided.
