Please give details of your reasons for support/opposition, or make other comments here:

I fully support (again) all the policies in the Loxwood Neighbourhood Plan. This plan represents the wishes of the Residents of Loxwood parish as determined through the democratic process of a Community Led Plan, significant community involvement and consultation and Neighbourhood Planning.

This re-consultation is only because of a developer's attempt to discredit the lawful democratic process of neighbourhood planning under the Localism Act through a technical challenge under a Judicial Review. I object to my democratic rights being challenged in this way and fully support the Loxwood Neighbourhood Plan.
