Valerie

To assist in my Examination of the Loxwood Neighbourhood Plan, I confirm that I wish to seek clarification on this matter. Therefore, I am prepared to allow Chichester District Council to respond to the points raised in the legal opinion accompanying the representations submitted by Planit Consulting, particularly with regard to objectively assessed needs in relation to the emerging Local Plan, as I have limited information on this matter.

In the interest of fairness and openness, please can you inform Planit Consulting of this request and publicise this request on your web site alongside the Regulation 16 representations. In addition, please can your response be sent direct to Planit Consulting and publicised on the web site.

Subject: Loxwood NP Examination

Dear Ms Cheesley,

I am writing in relation to the Loxwood Neighbourhood Plan now submitted to you for examination.

A copy of each of the submitted representations has, I understand, also now been forwarded to you for your consideration.

In relation to the representations submitted by Planit Consulting on behalf of Crownhall Estates, the Council has noted that these are quite extensive and include a legal opinion. In this respect the Council is therefore now requesting the opportunity to reply to you in more detail in relation to these submissions.

If you would regard this as appropriate then I would ask you to confirm this to us in writing at the earliest opportunity to allow us to provide you with a full response early in the New Year to enable your full consideration of the Neighbourhood Plan.

If you have any concerns or queries, or wish to discuss this further, then please do not hesitate to contact me.

Yours sincerely,

Valerie Dobson
