Dear Valerie,

Thank you for your e-mails of 6th and 17th August affording Historic England the opportunity to amend our representations on the Birdham, Fishbourne, Wisborough Green and Tangmere Neighbourhood Plans following the adoption by the District Council of the Chichester Local Plan: Key Policies 2014-2029.

Please find attached our confirmations that we do not wish to amend our comments on any of the Plans and that our original comments therefore still stand.

Subject: Birdham Neighbourhood Plan Examination - CDC Local Plan Adoption

To: All those who have submitted representations on the Regulation 16 consultation on the Birdham Neighbourhood Plan

On the 14 July 2015 Chichester District Council adopted the new Chichester Local Plan: Key Policies 2014-2029. This replaces the previous Chichester District Local Plan: First Review (1999) in its entirety. The Council has now published the attached statement setting this out and identifying the change to the development plan.

I am aware that you have submitted representations as part of the Regulation 16 consultation on the Birdham Neighbourhood Plan. As requested by the Examiner, I am therefore now writing to you to ask if

your original representation(s) still stand or if there are any amendments that you wish to make in the light of this Statement. It is important to note that further comments are not being invited on the merits of the new Local Plan housing figures or new Local Plan policies.

Any responses should be sent to neighbourhoodplanning@chichester.gov.uk no later than **Monday 7 September 2015**.

If you have any queries in relation to this matter then of course please do not hesitate to contact me,

Valerie Dobson
