# ARE YOU AGAINST LITTER?

As part of Chichester District Council's Adopt an Area campaign, I am organising a voluntary litter pick in the local area and would be very grateful of your support.

The Adopt an Area scheme aims to bring everyone together to help keep the Chichester District beautiful. Adopting an area can involve arranging a litter pick or reporting problems to the council, such as: fly tipping, extensive littering or continuous issues of dog fouling.

I am pleased to say that I have adopted an area in our local community and am organising a clean-up event to help keep this space litter free.

If you would be interested in getting involved, please contact me.
