

Season Ticket Terms & Conditions

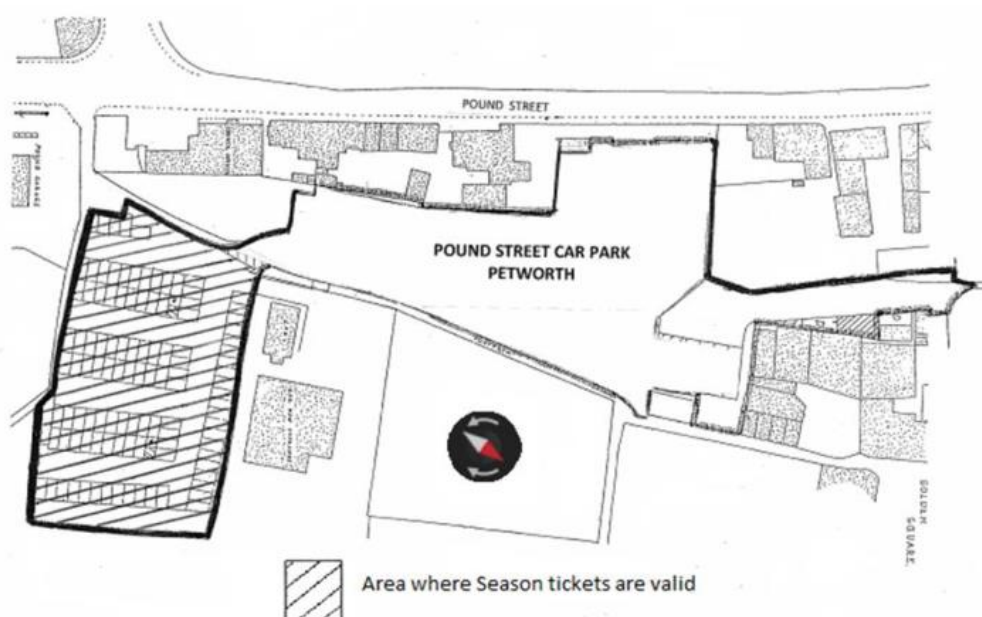

1. When purchasing a Season Ticket the name supplied will be deemed as the Season Ticket holder. The Season Ticket Holder is responsible for ensuring that all the Season Ticket details are up to date.
2. The fact that a payment has been forwarded does not guarantee that a Season Ticket will be issued.
3. A maximum of one vehicle registration mark can be registered against the Season Ticket at one time.
4. Possession of a Season Ticket does not guarantee the availability of a space for the holder to park.
5. A person or administrator purchasing Season Tickets for other users should ensure that they inform and supply all users or the holder of the Season Ticket with the Terms & Conditions.
6. To request a refund, the Season Ticket Holder should email Mipermit at help@mipermit.com, clearly stating that a refund is being requested for a Chichester District Council Season Ticket, the name of your season ticket and supplying the season ticket holder's name, email address and vehicle registration. Refunds can only be issued for the remaining full months of the Season Ticket and will be calculated from the date on which the request is received by Mipermit. Mipermit will process the refund.
7. A Season Ticket is considered valid from the chosen start date supplied at the time of purchase.
8. Season Tickets can be renewed up to 14 days before the date of expiry. It is the responsibility of the Season Ticket Holder to ensure that the Season Ticket is renewed prior to leaving a vehicle parked.
9. If a Season Ticket is not renewed 14 days after the date of expiry it may be necessary to apply for a new Season Ticket or join a waiting list, if applicable.
10. A renewed Season ticket will be valid from the date that the renewal payment is made and not the date after the previous season ticket expires

 - b) *check the accuracy of the Season Ticket details which have been provided as Chichester District Council cannot be held responsible for customer errors which result in the issue of a Penalty Charge Notice.*
14. Internet access or connectivity/signal difficulties are not considered valid reasons for a vehicle to park without a valid Season Ticket as it is the responsibility of the Season Ticket Holder to ensure that the season ticket is valid prior to parking.
15. Leaving a vehicle in a part of a car park not allocated for season ticket holders will render the Season Ticket void and the standard charges applicable to the car park in which the vehicle is parked will need to be paid.
