I wish to oppose to this decision because: whom it may concern

I have just received a leaflet through my door asking down want 'at least 1250' homes being built .

When I moved over here back in 2020 it was a huge struggle to get our children into a local school

So I'd dread to think how the schools would cope with extra children and families to support I wish to also tell you a fine example

, I used to live on the beautiful Hayling island when I first moved on there

There was that country side feel with a beautiful beach . Then one year the council got planning permission to build a new estate ok fine

Then another estate went up

And another

We now have lost the quaint quiet country feel .

It's over crowded and over populated

And yet they still want to build more on very little land they have left !

The crime rates went up more !!!

More police are being put on the island

The traffic in summer is 10 x worst than it was 10 years ago .

The same thing will happen again if you add another 1250 now it will increase in 5 -10 years here and we will lose the pretty attraction of the village feel and it will turn into a place like Havant before you know it !!!

I'm sorry I'm against it to happen
