<p><b>Please give details of your reasons for support/opposition, or make other comments here:</b></p> <p>Policy SB20 is onerous in that it relates to ALL development.</p> <p style="text-align: right;">(Continue on separate sheet if necessary)</p>
---

<p><b>What improvements or modifications would you suggest?</b></p> <p>Amend the policy to be more specific on the type of development it is aimed at – namely development resulting in the creation of new residential buildings, either through new build or changes of use.</p> <p>It should not apply to commercial building, caravans and agricultural buildings, for example.</p> <p>Moreover for a single plot or subdivision of a house from one to two dwellings the requirements appear onerous and beyond the reach of many small scale schemes.</p> <p style="text-align: right;">(Continue on separate sheet if necessary)</p>
