**Does not support the local village. Need less houses. Need more small starter homes for purchase (not just social housing) for local young people to buy. 1-2 bed flats are needed for purchase- not under affordable housing.
New GP surgery is needed as a priority- not another school. There is plenty of space for development on the existing junior school site whereas it is already impossible to get a GP appointment and has been for many years.**

(Continue on separate sheet if necessary)

What improvements or modifications would you suggest?

1-2 bed flats for local young people to buy (not under other schemes)

Leave existing junior school where it is and build a new GP surgery

Reduce no of houses being built

(Continue on separate sheet if necessary)
