I fully support all of the proposed polices that are in the Southbourne Parish Neighbourhood Plan Review 2019-2037.

The plan supports a futuristic approach to supplying houses, infrastructure and community asset with its approach to meeting everyone needs. It stipulates how key stakeholders should implement the vision that the residents strive for to meet the needs of new and existing residents of the Parish.

The work undertaken by many volunteers in preparing this plan should not go unnoticed in what is a very extensive plan and they all should be commended.
