Southbourne Parish Neighbourhood Plan Review 2019-2037

The Neighbourhood Planning (General) Regulations 2012 - Regulation 16

Southbourne Parish Council has prepared a Neighbourhood Plan Review. The plan sets out a vision for the future of the parish and planning policies which will be used to determine planning applications locally.

Copies of the Southbourne Parish Neighbourhood Plan Review and supporting documents are available to view on Chichester District Council's website:

<http://www.chichester.gov.uk/neighbourhoodplan>.

I have read the entire plan and on the whole agree with it. However, my concerns are fundamental to the whole idea of additional housing in the parish and the district. At present we have the entirely unsatisfactory situation where Southern Water (SW) cannot cope with processing waste water adequately, and regularly discharge untreated sewage into Chichester Harbour. This has got to stop. Until the Government can force SW to process the waste water from existing homes, then it is entirely futile to even think about adding more homes to the area. To do so will make the situation even worse. I understand well about planning policy, and the fact that we are being 'forced' to accept more new homes. But this really is a nonsense if the infrastructure cannot cope. I hope that the Inspectors will make a sensible decision and put any additional homes 'on hold' until the infrastructure is sorted out satisfactorily and SW are legally required to STOP discharging waste water into the harbour.

What improvements or modifications would you suggest?

Further developments put on hold until infrastructure (especially waste water) is sorted out satisfactorily, and there are no further toxic releases into the harbour by Southern Water.
