Please give details of your reasons for support/opposition, or make other comments here:

The rural and semi-rural land surrounding Southbourne and Nutbourne provides one of the few breaks in the band of urbanisation that skirts the south coast. It forms a green pathway linking the South Downs to Chichester Harbour which is vital for wildlife and precious to residents and visitors. We also note that the proposals do not address infrastructure provision adequately, particularly for roads and drainage / sewerage.

What improvements or modifications would you suggest?

This plan threatens irreversible damage to a unique local environment and a more sensitive response to the nation's housing problems should be sought.
