Please give details of your reasons for support/opposition, or make other comments here:

I merely wish to comment that the building of 1,250 dwellings in the neighbouring parish of Southbourne on land which will in part be contiguous with our parish of Chidham and Hambrook amounts to an unacceptable level of coalescence between villages. The loading in terms of traffic on the A259 and indeed a country lane such as that of Priors Leaze Lane will damage the environment, irreversibly and alter the character of harbourside villages beyond any possible doubt. Do we really need all these houses in locations where there are minimal amenities. I think not.
