Please give details of your reasons for support/opposition, or make other comments here:

Southbourne is at present overcrowded and cannot cope with ANY new dwellings let alone the number of properties proposed in the neighbourhood plan. The current developments are eyesores & the developers 'sweeteners' of green areas on these sites are pathetic. The roads can't cope, apparently the schools can't cope either & the Doctor's surgery is overrun & its reputation in matters now let alone with any extra patients. The plan will effectively end Southbourne as a village & any development along Gods Lane in particular is the final straw. (Continue on separate sheet if necessary)

What improvements or modifications would you suggest?

*Forget the whole thing & start again!
We were also told that no further development would be made north of the railway line.*
