Plot No(s):7

Chichester District Council (Tangmere)(No 2)
Compulsory Purchase Order 2023

Dear Sirs,

I would like to lodge an objection to the above order.

I have lived at 97 Cheshire Crescent since October 2008 and the garden has always been the size it is today. Previous tenants had extended the garden and it has remained this size for at least 20 years.

My shed and apple tree are on the site for the Order and the area is small in comparison to the development.

I would therefore ask you to consider allowing me to keep my garden the size it is now so I can continue to enjoy it..

Yours sincerely
Julie Warwick
