To whom it may concern

We strongly object to this planning and the use of public money which is stretched to the limit in Chichester-look at our appalling roads for example - for a private company to benefit, ie Hyde.

After the last appeal with regard to Church Lane it was agreed no more housebuilding was needed in Birdham. We are a very small village!

As for construction on a small road opposite a school and nursery this is the most ridiculous notion and I trust you have done a thorough risk assessment.

We don't want any more houses on the peninsula- the traffic and resources are unbearable for those of us living and working here. Alongside sewage, flooding and nature and habitat loss - do you realise how much nature there is in those fields.

Why oh why are you wasting public money on this - focus on other more important issues !

Who in the council has voted for this ?

A very angry resident
