

# Where to Park

## Chichester & District

### 2025-2026

Chichester District Council is responsible for 31 car parks in the district and provides on-street parking enforcement on behalf of West Sussex County Council.

#### Electric Vehicle Charging Points

There are eighteen electric vehicle charging points located across many of our car parks:

- Avenue de Chartres car park, Chichester
- Bosham Lane car park, Bosham
- East Pallant car park, Chichester
- East Street car park, Selsey
- Northgate car park, Chichester
- Northern Crescent car park, East Wittering
- North Street car park, Midhurst
- Pound Street car park, Petworth

For information about how to sign up to use the charging points, please visit: <https://uk.mer.eco/>

#### On Street Pay & Display

There are 29 On-Street Pay & Display machines installed throughout Chichester City Centre. These enable convenient, short-term parking for up to 1 hour.

#### Season Tickets

Season tickets can be purchased for a number of our car parks. For more information, please visit our website: <https://www.chichester.gov.uk/seasontickets>

#### Cashless Pay & Stay Using MiPermit

In addition to cash, contactless and card payments in many of the car parks, MiPermit offers customers the following choices to pay for parking:

- Your mobile phone by SMS
- The smartphone application
- Online, or
- By telephone

Each of our car parks has a ‘Location Code’ which identifies where you are parking. The Location Codes are 6-digit codes which are stated on the Charges Boards or at machines within the car parks. Use the MiPermit App (available from your App store) or visit <http://kb.mipermit.com/en/>

#### Avenue De Chartres Multistory Car Park

As of 1<sup>st</sup> April 2025, the Avenue de Chartres car park operates with a Pay & Display system.

#### Parking for Disabled Badge Holders

To help people with disabilities gain easy access to the city, most Pay and Display car parks have specially allocated parking spaces. These spaces, along with any others in the Pay and Display car parks can be used free of charge, provided the vehicle is displaying a valid blue badge or foreign disabled badge and the registered disabled person is driving or is a passenger. Blue badge holders can park without time limit in on-street pay and display or limited waiting bays while clearly displaying a valid blue badge. A parking disc/clock must be displayed with a blue badge when parking on yellow line waiting restrictions for up to 3 hours. Please see [www.chichester.gov.uk/parking](http://www.chichester.gov.uk/parking) for more information.

#### Motorcycle Parking

Free motorcycle parking facilities are available in designated areas in the Cattle Market, Northgate, Little London, South Pallant and East Pallant car parks. Baffins Lane and Westgate car parks have free and secure motorcycle parking. Alternatively, motorcycles can park in any of the Pay and Display car parks within a marked bay, providing the appropriate charge is paid. The MiPermit facility is also available to pay for motorcycle parking. Motorcyclists are also able to use city centre on-street Pay and Display parking bays, free of charge and without time limit if they are parked at right angles to the kerb.

#### Civil Enforcement Officers

Chichester District Council has a dedicated team of Civil Enforcement Officers helping to sustain parking control measures. Their work also helps maintain safety on the Highway, eases the flow of traffic and ensures that motorists have fair access to parking spaces.

If you see a vehicle in possible contravention, please visit our website to make a report using the address below. [www.chichester.gov.uk/reportaparkingproblem](http://www.chichester.gov.uk/reportaparkingproblem)

The Civil Enforcement Officers check pay and display machines each day. If you do find a problem with one of the machines, please contact us on **(01243) 534500**, or visit the link below:

If you wish to **report a parking concern**, please visit our website to make a report using the address below. [www.chichester.gov.uk/reportaparkingproblem](http://www.chichester.gov.uk/reportaparkingproblem)
